Welcome to Spa La Vie

"Humankind has not woven the web of life. We are but one thread within it. Whatever we do to the web, we do to ourselves. All things are bound together."

– Chief Seattle

We invite you to be inspired by The Tunica - Biloxi Tribe's Native American culture and the healing, life-giving powers of the four elements - Earth, Water, Air and Fire. Our treatment offerings honor this sacred land's heritage by using all organic, hand harvested ingredients indigenous to the reservation on which this spa stands.
